

The background of the cover is a photograph. On the left, a mangrove tree with a thick trunk and many prop roots stands on a sandy beach. The tree's leaves are green and yellow. In the upper left, a large, bright full moon is visible against a dark blue sky. The foreground shows the sandy beach and the calm, shallow water of the ocean, which reflects the light from the moon and the sky. The overall mood is serene and contemplative.

М36 «Махабхарата», «Бхагавад-гита» и неклассическая рациональность : материалы III Междунар. науч.-теорет. конф. / сост. и общ. ред. А.С. Тимошук. – Владимир: Изд. Владим. гос. ун-та, 2008. – 200 с. ISBN 978–5–89368–918–1

Собранные материалы отражают основные цели конференции: 1) изучение роли Махабхараты в системогенетике неклассической онтологии; 2) определение места Махабхараты в эволюции ценностно-смысловых установок неклассического общества; 3) формирование единой научной коммуникации в области разобщённых мировоззренческих программ Востока и Запада. Адресовано исследователям и учащимся. Электронные хранилища сборников прошлых конференций: <http://www.elcom.ru/~human>; <http://www.philosophy.ru/library/asia-tica/indica/bg2007/00.html>
